# **Release of Liability and Indemnity for Minor Participants**

## **Please Read Before Signing**

In consideration of \_\_\_\_\_, my child/ward ("Child"), being allowed to participate in any way in the City of Paris Summer Camp programs ("Camps") and related events and activities, the undersigned, on behalf of myself, Child, my spouse, and on behalf of my/our heirs, assigns, personal representatives and next of kin, **does hereby release and agree to indemnify and hold harmless the City of Paris its officers, employees, and agents, including any volunteers ("City") from any and all claims for personal injury, death, property damage, or any type of claim or damage (including but not limited to attorney's fees or litigation expenses) resulting from Child's activities, whether arising from the negligence of City or otherwise, in connection with participation in the Camps or the participation of any family member or guest of the undersigned, to the fullest extent of the law. I, for myself, my spouse, Child, and on behalf of my/our heirs, assigns, personal representatives and next of kin, hereby indemnify and hold harmless City from any and all liabilities incident to Child's involvement or participation in Camps, whether or not arising from the negligence of myself or Child, to the fullest extent of the law.**

I have explained to Child the risks associated with the Camps' activities, his or her responsibilities for adhering to the rules and regulations thereof, and I certify by my signature below that my child understands those risks and responsibilities.

I assume all risks and hazards incidental to such participation in Camps and activities related thereto and consent for Child to receive first aid and/or emergency care by a qualified Emergency Medical Technician or physician or other person qualified to render medical assistance in the event Child suffers an injury during sanctioned games and activities.

I willingly agree to comply with the program's stated and customary terms and conditions for participation. If I observe any unusual significant concern in Child's readiness for participation and/or in the program itself, I will remove Child from the participation and bring such attention of the nearest official or volunteer immediately.

COVID-19 is a contagious virus that spreads through person-to-person contact. I am aware the City of Paris will implement the most recent minimum standard health protocols issued by Texas Governor Greg Abbott. I acknowledge these precautions in no way guarantee infection will not occur through participation in Camp programs.

**I, for myself, my spouse, and Child, have read this release of liability and assumption of risk agreement, fully understand its terms, understand that we have given up substantial rights by signing it, and sign it freely and voluntarily without any inducement.**
